

**Rosh Hashana:**

On Rosh Hashanah we ask G-d to rule over us and make His sovereignty known over the entire world. Moshiach will accomplish this in the ultimate way by building the Holy Temple and bringing all of mankind to acknowledge G-d.

**Yom Kippur:**

On Yom Kippur, we act like spiritual beings by focusing on the knowledge that G-d is the only reality in our universe. It is this reality that

will become apparent with Moshiach's arrival, as the prophet Isaiah states: "The world will be filled with the knowledge of G-d as waters fill and cover the seas".

**Sukkot:**

During our daily prayers, we ask G-d: "Spread Your Sukkah of peace over us." This refers to a revelation of G-dly light that Moshiach will reveal, which in turn, will unite all of mankind under G-d's 'Sukkah' of sovereignty.

**Shemini Atzeret-Simchat Torah:**

According to our sages, joy enables a person to go beyond his or her own sense of self. Moshiach will bring that true joy and selflessness to the entire world!

# Pidyon Kaporot

It is customary on the eve of Yom Kippur (or during the days between Rosh Hashana and Yom Kippur) to take a chicken for "Kaporot", to atone for our sins. If one cannot do the Kaporot with a chicken, it can do so with money, and give it to Tzedaka (=charity). Please visit donate.chabadflatbush.org to send us your support.
